

### Notice for change of bullet terminal

We highly appreciate for your continuous sales support on Mitsubishi Hoist and related items.  
This time, we would like to make an announcement of change of bullet terminal.

1. Changed contents  
The bullet terminal is changed.
2. Subject models
  - ① 5t old models and 7.5t or more (AC brake) all models
  - ② Brake for E type all models
3. Schedule for change and part code  
Products : production from May, 2023  
Parts : The change will be made after running out of stock of current parts.  
※The parts codes of changed parts are written on the next page.
4. Reason for change  
The production stoppage of current products
